Experience

MARCH 2025 – PRESENT
Student Lab Assistant – Central University of Technology - Bloemfontein, Free State

I assist students with Microsoft Office and Computer Literacy, while also supporting them with password registrations and basic troubleshooting. My responsibilities include managing computer lab resources and ensuring that all systems are fully operational. I offer technical guidance on the E-Thuto platform and help with common software usage. Additionally, I focus on maintaining a professional and student-friendly learning environment.

MARCH 2023 – NOVERMBER 2023
Public Relations Officer - CUT Poetry Association - Bloemfontein, Free State

I managed communication strategies and public relations efforts for the association, including event promotion and member engagement. I also organized events and collaborated with student groups to help create a vibrant and inclusive campus culture.

Skills

I have experience in programming with Python, basic HTML and CSS, and working with the Django framework. In networking, I am familiar with Cisco Packet Tracer and have basic knowledge of Kali Linux. I am digitally literate with proficiency in Microsoft Office and common internet browsers. My creative skills include using tools like Canva, CapCut, Filmora, and StudioOne. I also bring strong soft skills such as problem-solving, effective communication, and leadership.
